**27 EUROPEAN
CME CREDITS**

(ECMEC®S) FOR MEDICAL
PRACTITIONERS

Welcome to the 14th 5CC World Congress, back live in our Barcelona home. It has truly been one of the most craziest of times in the meeting world and after two years of virtual events and or cancellations of events, we are pleased and excited to be announcing the return of one of the pre-eminent medical dermatology and aesthetic/cosmetic meetings is returning to a live event in September, 2022.

The pandemic has been a challenge to us all. It has disrupted our families, it has disrupted our clinical practices, and it has disrupted our meeting times together. What has not been disrupted is the innovation and advances in the medical dermatology space with new and exciting new compounds tackling the myriad of dermatologic disorders that do not realize that a pandemic exists or existed. Advances in the treatment of acne vulgaris, rosacea, psoriasis, atopic dermatitis, hidradenitis, hyperhidrosis, and others have surged in recent times and we are primed to educate all on these recent new therapies and new ideas for making our patients better.

Advances in the cosmetic and aesthetic arenas are being showcased with each passing day and month. From Skin Care to Chemical Peels to Injectables to Energy Based Devices – all have seen wonderful innovation and science almost unparalleled in recent times. We will showcase all that is new, all that is relevant, and all that will enhance our offerings to our patients.

We have been missing seeing everyone in Barcelona and we plan on having the biggest and best 5 CC meeting ever. The teams that we work with and the Board of Directors have been working tirelessly to bring to us all the kind of event that we will all say was one of those meetings that we need to attend each and every year. You need to be making your plans now to attend and to join us for this truly great event. We look forward to seeing our friends from industry in both the medical and cosmetic space as well as our colleagues and friends from all over the world in Barcelona for the 14th edition of the 5 CC World Congress.

AT A GLANCE

● WI-FI

Complimentary WiFi is available on Levels P0 (registration level) and P1 (conference level). Use #5CCfamily for your posts on social media!

Network name: 5CC2022 Password: 5CC-family

● CME ACCREDITATION

The 14th 5-Continent-Congress Barcelona has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **27 European CME credits** (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

● EACCME® CREDITS

Each participant can only receive the number of credits he/she is entitled to according to his/her actual participation at the event once he/she has completed the feedback form. Cf. criteria 9 and 23 of UEMS 2016.20.

- 01.09.2022 – 7,00
- 02.09.2022 – 7,00
- 03.09.2022 – 7,00
- 04.09.2022 – 6,00

In order to receive your CME credits and certificates, you need to complete the online evaluation after 5CC. Upon completion of the survey, you will receive a link to download your certificates. In order to obtain your CME credits, please contact your national authorities in your country of residency to validate the European CME credits and to convert them to your national CME credits. Afterwards, please send your certificate of attendance to your national authorities.

● SIMULTANEOUS TRANSLATION

The official conference language is English. Simultaneous translation to Spanish will be provided on all days in all lecture rooms.

Translation receivers and headphones for the translations are available at the rental station on Level P1 in the industry exhibition (between booth #33 and #35) at no charge. Kindly note that a deposit will be held until the return of the translation sets.

● RECORDING POLICY

Recording, photography and filming during the sessions is strictly prohibited without prior written permission from the congress organization. In consideration of other attendees, we kindly ask you to put your cell phone in a silent mode during sessions, symposia and workshops.

Please be advised that the organizers are filming and taking pictures of scenes and background material in this area for future promotional purposes. If you enter the congress center, you may appear, and therefore agree to appear, in this or any later production which be used in advertisements and promotions worldwide via various media.

● COFFEE AND LUNCH BREAKS

Complimentary coffee breaks are provided in the industry exhibition and the foyer for all attendees, speakers and exhibitors. Lunch and snacks are available for purchase at the cafeteria during all conference days (Thursday and Sunday: in the foyer of rooms 118 – 134; Friday and Saturday: in the industry exhibition).

● MEDIA CHECK

To help the conference run smoothly, we kindly ask our speakers to submit their presentation(s) at the Media Check in room 122 at least 1.5 hours before the lecture.

● PRAYER ROOMS • ROOMS OF SILENCE

The prayer rooms / rooms of silence are located on Level M2 (rooms M216 and M217). Please take escalators C in front of the exhibition hall (rooms 113 – 115).

● LEGAL INFORMATION

Logi-Vent GmbH acts as an intermediary and is not responsible or liable for loss, accidents or damages to people or things during the entire congress independently of their origin. Any other agreement will only be effective if in writing and signed by both parties.

Logi-Vent GmbH shall not be liable hereunder on whatsoever legal basis by reason of any cancellation of all or part of the event or by reason of any termination of all or part of the event ahead of schedule on account of any cause that is beyond the reasonable control of Logi-Vent GmbH (such as acts of God, war, insurrection, civil unrest, strikes, etc.).

TRAINING COURSES & SPECIAL INTEREST SESSIONS

09.00 - 11.00 /// **TRAINING COURSE**

Full Facial Rejuvenation with Calcium Hydroxiapatite: Understanding why and how to Use Biostimulating Fillers in a "long-term" Rejuvenation Program
ANTONIO CAMPO VOEGELI

In this course, he will explain the specific characteristics of this filler, it's differences with the conventional fillers, the injection techniques and how to optimize the results with the minimal amount of filler. He will show some treatment videos in each area and clinical case discussion as well as long term follow up results.

11.00 - 11.30 /// COFFEE BREAK IN THE FOYER

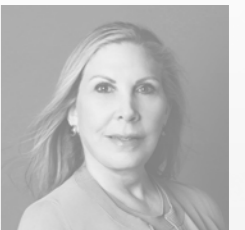

11.30 - 13.30 /// **TRAINING COURSE: DIGITAL MARKETING**

Elevate Your Aesthetic Practice with Digital Marketing Solutions: Trends in Social Media, Content Marketing, SEO, Pay-Per-Click & Mobile
WENDY LEWIS & RAN BERKMAN

Is your clinic using SEO the right way to get found online? Are you active on the social media channels that are most important to your target audience of patients? Have you kept up to speed on how to use mobile marketing to drive new patients into your clinic? Do you have 5-star reviews on the sites your patients are looking for? Do you have the right keyword-rich content Google is hunting for?

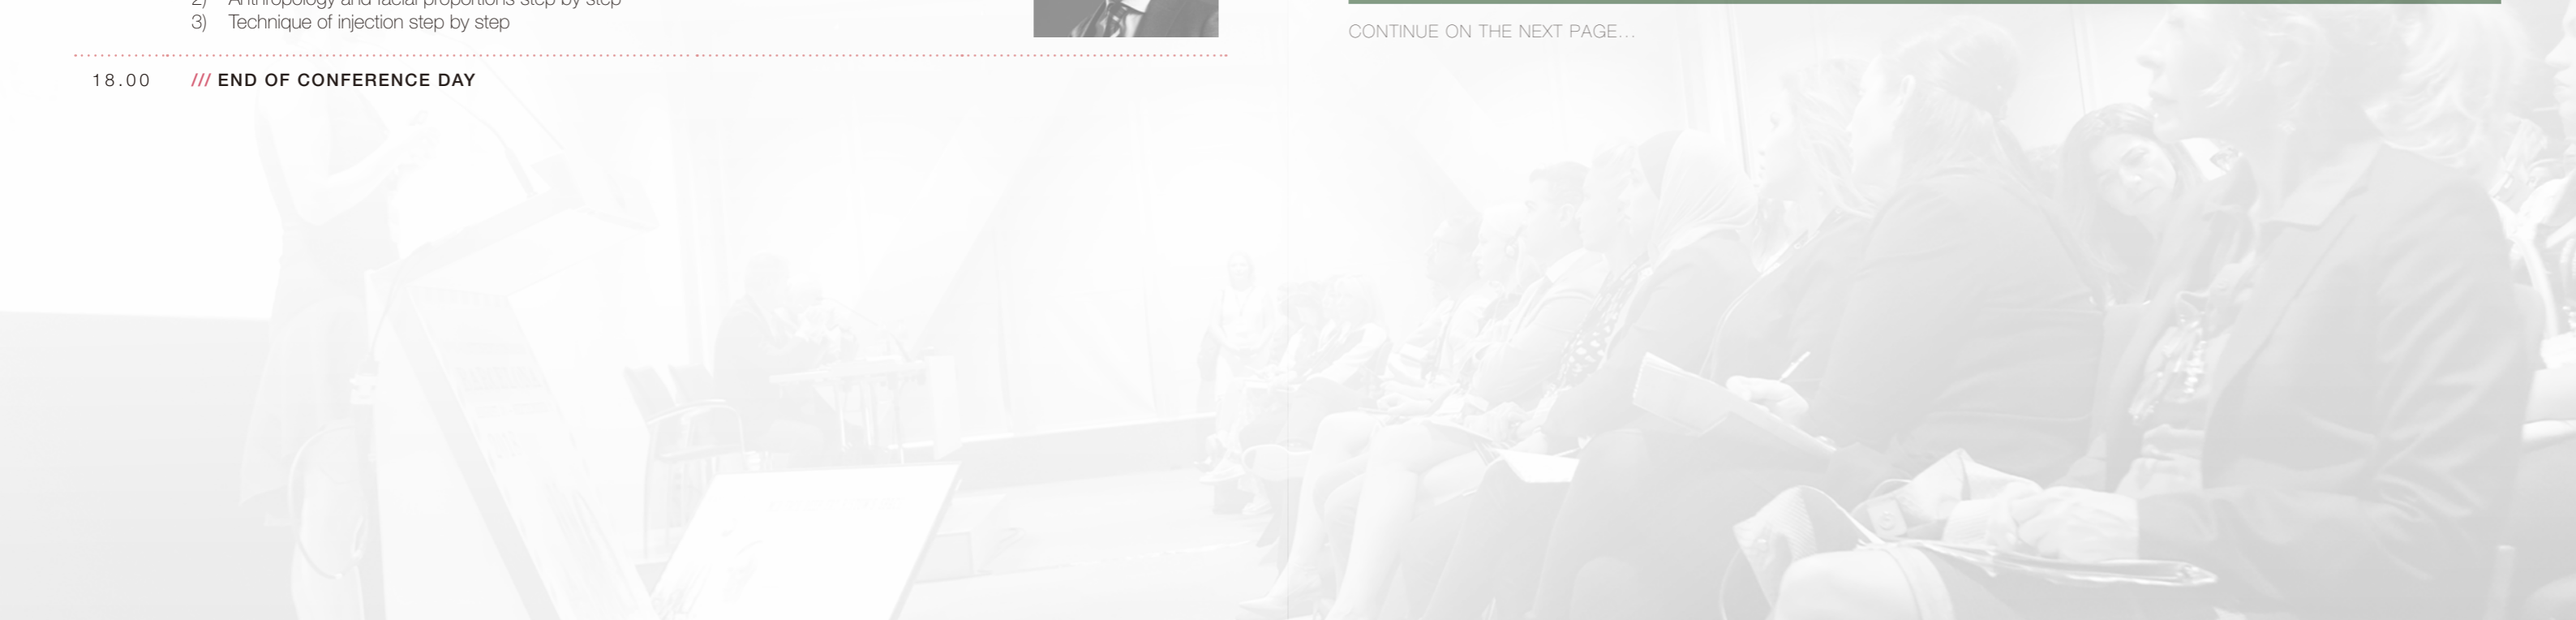

Don't sweat it. You're not alone. Digital marketing is constantly evolving practically in real time. Most practitioners are far too busy taking care of patients to stay on top of the changes and new trends popping up constantly. It can be very confusing to stick to a marketing plan that generates the practice-enhancing results you want.

This intensive 2-hour course given by two senior medical marketing experts will address the most common questions and offer suggestions for a strategic approach to the full spectrum of digital marketing. Attendees will leave with answers to their queries and learn what they need to know to run a successful practice in 2022 and beyond.

13.30 - 14.30 /// LUNCH BREAK IN THE FOYER

14.30 - 16.30 /// TRAINING COURSE: CHEMICAL PEELINGS

Chemical Peelings
IN COLLABORATION WITH IPS

The **INTERNATIONAL PEELING SOCIETY** (IPS) was founded in 2012 by an international group of physicians dedicated to the field of chemical peels.

The society targets to teach and promote the methods and applications of chemical peels for both medical and esthetic purposes. Among the goals of the society are the development of clinical guidelines for better and safer use of peels, the setting of appropriate quality standards and the initiation and support of basic and clinical research in this field.

17.15 /// FILLER COMPLICATION MANAGEMENT IN COLLABORATION WITH IS⁴AC

The **INTERNATIONAL SOCIETY FOR AESTHETIC COMPETENCE (IS⁴AC)** is a working group of the DGAuF, Deutschsprachige Gesellschaft für Aesthetische Medizin und Fortbildung e.V. (German-speaking Society for Aesthetic Medicine and Education). It deals with the topic of side effects in aesthetic injections. The goal is to exchange information and experience in a European way, to establish an international treatment approach to avoid side effects and to develop general treatment algorithms to deal with side effects. In addition, the working group should promote and intensify international exchange on this topic.

11.45 /// ETHNIC DERMATOLOGY IN COLLABORATION WITH SOCS

The **SKIN OF COLOR SOCIETY (SOCS)** was established in 2004 by Susan C. Taylor, M.D. Its purpose is to promote awareness of and excellence within the area of special interest of dermatology – skin of color. The Society is committed to the education of health care providers and the general public on dermatologic health issues related to skin of color. The Society supports research and other activities that impact individuals with skin of color. Partnerships with dermatologists from the national and international communities, professional medical organizations, and community, corporate and industry groups will ensure our success in serving all individuals with skin of color. We invite you to join us in this important endeavor.

WE ARE PROUD OF THE ONGOING COOPERATION WITH OUR 5CC SCIENTIFIC PARTNERS IN 2022.

ABOUT US

The 5-Continent-Congress is comprised of an international group of highly acclaimed dermatologists and plastic surgeons who are key opinion leaders in their fields.

It is a highly scientific conference dedicated to innovations and controversies in the field of medical dermatology and aesthetic medicine accompanied by an extensive pre- and post-conference program.

Advances in medical dermatology; injectables for aesthetic and medical use; cosmetic and aesthetic energy-based devices; aesthetic gynecology; practice management and digital marketing; and the hot topic artificial intelligence and deep learning in dermatology and aesthetic medicine will be presented and discussed by an international world-class faculty.

15TH 5CC WORLD CONGRESS

THE BOUTIQUE INTERNATIONAL CONFERENCE ON

Medical Dermatology • Injectables for Aesthetic & Medical Use • Aesthetic Gynecology
Cosmetic & Aesthetic Energy-based Systems • Practice Management & Digital Marketing

WE LOOK FORWARD TO SEEING YOU AGAIN IN 2023 IN Barcelona!

ELITE PARTNER

Cutera is a leading provider of laser and other energy-based aesthetic systems for practitioners worldwide. Since 1998, Cutera has been developing innovative, easy-to-use products that enable physicians and other qualified practitioners to offer safe and effective aesthetic treatments to their patients.

For more information, visit WWW.CUTERA.COM

As a specialist in studying and producing medical devices where biotech and electronics are converged, we at ViOL are doing our best to deliver new solutions in disease treatment and thus make our lives healthier and richer by way of bio-electro technologies and products. ViOL has continued to study and invest on an increasingly larger scale to become a new global leader of Bio-Electro Ceuticals ushering in a new era. As a result, scarlet™, sylfirm™ and omedia™, the first results of ViOL's commitment, are now widely recognized around the globe for the technological prowess that ViOL has incorporated into them. ViOL will continue to direct all its power and passion toward developing new technologies that deliver benefits to the world rather than simply creating profits, through this mindset we will thereby make our world and life more livable. A world where each day is a blissful day, ViOL will move forward step-by-step to deliver its core value, VICTORY OF LIFE.

● **CENTRE DE CONVENCIONS
INTERNACIONAL DE BARCELONA (CCIB)**

The CCIB – Centre de Convencions Internacional de Barcelona, is an integral part of Diagonal Mar, the newest section of Barcelona's seafront. This also places the CCIB in the heart of the technology and business district known as Barcelona 22@. The CCIB is unique in Europe for the impact and originality of its architecture, for the versatility of its column-free meeting halls and spaces and for the superb use it makes of the warm, natural Mediterranean light. With a surface area of 100,000 m² which includes the Convention Centre building and the Fòrum Auditorium, the CCIB has ample space to welcome up to 15,000 visitors and to house the most challenging association, corporate, institutional and artistic events with great success.

PLAÇA DE WILLY
BRANDT, 11-14 08019
BARCELONA, SPAIN

INDUSTRY EXHIBITION

More than 50 international industry key players will showcase their innovations, technologies, and services in our extensive industry exhibition. Their best representatives will be with us.

● BARCELONA

Barcelona is not only the capital of the region Catalonia but also the capital of UNESCO World Heritage Sites. With eight listed historical monuments, Barcelona holds the world record. Also, Barcelona is famous for its beautiful old town and “La Rambla”, the well-known boulevard which guides its visitors from the city center to the beach. Countless cultural, historical and culinary highlights make this city so special and worth visiting at least once in a lifetime. Also in 2022 this impressive city will give our meeting an appropriate framework to welcome physicians and keyopinion leaders from all five continents to the leading conference on medical dermatology; injectables for aesthetic and medical use; cosmetic and aesthetic energy-based devices; aesthetic gynecology; practice management and digital marketing; and artificial intelligence and deep learning in dermatology and aesthetic medicine.

● FLYING TO BARCELONA

The airport Barcelona-El Prat (BCN) is the second-largest airport in Spain and belongs to the top 10 in Europe, meaning that national and international flights arrive in Barcelona El-Prat frequently. With a distance of about 15 km to Barcelona City, it is very centrally located. Alternatively, there are several smaller airports in the region, such as Girona (90 km) and Reus (90 km), which are mainly frequented by lowcost airlines.

● AIRPORT TRANSFER

In order to arrange your transport from Barcelona airport to your hotel or to the conference venue (approx. 20 – 30 min.) you can choose between different options: public airport transfer, taxi or private transfer.

● OFFICIAL AIRLINE NETWORKS

We have partnered with Lufthansa Group and SkyTeam Member Airlines as our Official Airline Networks to offer you seamless air travel to the 14th 5CC World Congress.

BOOK NOW AT: <https://bit.ly/5CC2022-SKYTEAM>
EVENT NAME: 5CC WORLD CONGRESS
EVENT ID: 4501S
TRAVEL VALIDITY DATES: August 25 - September 11, 2022
DISCOUNT: UP TO 15% ON ALL SKYTEAM AIRLINES

info@BarcelonaDayTours.com
Price per car (one way):
1 - 2 persons: € 59
3 - 5 persons: € 69
6 - 7 persons: € 79
Bigger groups on request.

REGISTRATION

Online registration is the most preferred way. Should you be unable to submit your registration online, please contact carina_schorling@logi-vent.de. To avoid double charges, please submit your registration only once.

In general, the registration fee for delegates covers

- Admission to scientific sessions, master-classes, training courses, scientific partner sessions and industry symposia
- Admission to the industry exhibition
- Access to 5CC ON AIR

For further details, please refer to the comprehensive registration information on <https://logi-vent.congress-registration.com/index.php?ev=1>.

Registration will be confirmed only upon complete payment of the delegate fee and other services booked. On-site registrations can be paid by credit cards and cash during the opening hours of the registration desk. All discounted registrations (student / resident / fellow / RN / clinic staff / delegate from developing country / accompanying person) must be supported by a valid proof of status.

REFUND & NAME CHANGE POLICY

Upon registration for 5CC, you accept the following cancellation policy: We will refund 80% of the registration fee, if written cancellation reaches Logi-Vent GmbH before April 30, 2022. We will refund 50% of the registration fee, if cancellation reaches Logi-Vent GmbH before July 31, 2022. No refunds from August 1, 2022.

Name changes can be made with a € 30 processing fee until July 31, 2022. No name changes after August 1, 2022. In the case that your visa should be declined, we do not offer a refund for the registration fee, but will gladly apply the registration towards the next 5CC conference.

CONFIRMATION & PAYMENT

Upon receipt of the full payment, a confirmation will be sent to participants. This authentication should be presented along with a photo ID at the registration desk on-site.

Payment should be made in Euro, without charges for the beneficiary as follows:

- By credit card (MasterCard, Visa, AMEX): the card holder's name, card number, expiry date and CCV number must be indicated during the registration
- By bank transfer
- On-site payments can be made with credit card and in cash
- Please note: cheques will not be accepted

DISCLAIMER

Logi-Vent GmbH acts as an intermediary and is not responsible or liable for loss, accidents or damages to people or things during the entire congress independently of their origin. Any other agreement will only be effective if in writing and signed by both parties.

Logi-Vent GmbH shall not be liable hereunder on whatsoever legal basis by reason of any cancellation of all or part of the event or by reason of any termination of all or part of the event ahead of schedule on account of any cause that is beyond the reasonable control of Logi-Vent GmbH (including, but not limited to, pandemics, terrorist attacks, general and labor strikes, invasions, hostilities, war, rioting or similar situations, administrative orders from national or local authorities (such as lockdown and quarantine measures, immigration and transporting restrictions), and acts of nature (such as fires, floods, extreme weather), or other emergencies.
